New Richland Care Center
October 2014 Newsletter
From the Desk of the Administrator!

It's hard to believe that the New Richland Care Center has been serving the community for almost 40 years. Our employee's hard work and dedication to care for each of our resident's is evident by the 5 star rating we have with the state.

September has kept me busy working on revising our Disaster Plan and working on our marketing efforts. I wish to thank each department manager for their support as I work on these issues.

On another note, I would like everyone to welcome Lana Purdie as our new Dietary Manager. Moving from cook/dietary assist to Dietary Manager is a big step and I am confident in her ability to achieve great results in her new role.

I hope everyone enjoyed the September Salsa Party lunch put on by the staff retention committee. As my grandson would say, "good food and good company". Congratulation to Laura Wenzel for winning the salsa contest. Your salsa rocks.

I would like to invite everyone to attend the silent auction held on October 4th from 11:00 – 1:00pm. Please stop by and see all the wonderful baskets and bid on the one you like the best. All proceeds go to improving the lives of our residents.

I look forward to seeing you there.

Don Alexander

PASTORAL CARE WEEK

October 19 – 25, 2014

"Pastoral Care: Spiritual Well-Being"

This week gives opportunity for all of us to recognize the spiritual caregivers in our lives. We are truly blessed at NRCC to have many area clergy volunteer their time to the Care Center, giving the residents an opportunity to worship right here in their home. We have many clergy men and women who visit their members from area communities and provide weekly Worship, Mass, Rosary, and Communion Services. Our families, residents and staff wish to recognize our area clergy who dedicate their time to minister to the residents' spiritual needs. **THANK YOU!!**

AN IMPORTANT MESSAGE FROM PEGGY QUAL, DON

Flu shots will be given to residents the first week of October, staff will receive theirs the second week.

The Department Of Health encourages all health care workers to get flu shots to help protect the residents of LTC. Shots are free to staff. Last year 90% plus residents received the vaccine and less than 50% of the staff took advantage of the free service. This year we are shooting for 100%.

October 3rd is "World Smile Day". The day's theme is "Do an act of Kindness. Help one person smile!"

The symbol is the yellow smiley face created by Harvey Ball of Worcester, MA.
SMILE, SMILE, SMILE!!!!!!!!!!!!!!
