**NOVEMBER 2014**

**New Richland Care Center**  
**November 2014 Newsletter**  
**From the Desk of the Administrator!**

It is hard to believe I have been here for 3 months; time goes by fast when you have such a great staff to work with.

Since my last newsletter I interviewed 25 staff members at random to assess the climate at the center. Although the survey identified several areas we can improve, 100% of those I talked to said they are happy to be working at such a wonderful facility.

Our new steam table is now ready for use. It took several months longer than expected to arrive and it has been installed. Wiring the table was not as easy as it seems since the old steam table was 240 volts and the new steam table is 120 volts.

We now have a 24/7 admission policy in place. This allows us to admit a resident anytime of the day or night, giving hospitals and other referral sources greater flexibility in managing their caseloads and discharges. Our Marketing Team has been doing a great job marketing our services by visiting over 18 hospitals, assisted living facilities, senior centers and other potential referral sources. During their visits, the team continued to hear many good things about our facility.

I love the Fall Weather, seeing all the leaves turn as my wife and I walk around the town. Both of us feel very fortunate to call New Richland home.

**Family and Friends of NRCC**

I want to share with all of you that a couple of the staff from the Senior Linkage Line were here on Monday, October 27<sup>th</sup> for a presentation on services for seniors. Thank you to those family members who were able to join us. Please take time to go online to [www.MinnesotaHelp.info](http://www.MinnesotaHelp.info) this is a computerized tool for you, a step-by-step guidance to make choices and plan for aging at home. It covers multiple areas for seniors such as: Home Maintenance, Safety, Housing Modification, Family Decision, Memory Loss, Health Insurance and many more topics. I have some brochures should you be interested. I will be receiving the 2015 Healthcare Choices for Minnesotans on Medicare book when they are printed, so see me if you would like one. Here are some contact numbers for you as a resource.

Thanks again, Penni

## LOOKING FORWARD TO THE HOLIDAYS

*With the holidays fast approaching, we'd like to share the following information with you.*

**PRIVATE PARTY POLICY**—Resident families may schedule special parties by contacting the Care Center Activity Department. Please follow the following guidelines.

The 200 Hall Lounge, Sunroom, Activity Area or Chapel are areas that may be reserved if they are not planned to be in use by the Care Center.

The Care Center can accommodate no more than 25 people for these special parties.

The Care center will provide coffee only, the family will provide their own food, dishes and silverware.

Tables (four long tables are stored in the Chapel closet by the windows) and chairs will be available for use. The family will be responsible to arrange them and replace them as they were found, the dividing walls are expected to be closed. (Staff will close the wall for you). The family is responsible for cleaning up the area following the party. A monetary donation for the use of the area will be accepted by the Resident Council.

## HOLIDAY DECORATING

## ATTENTION ALL VISITORS

The resident's enjoy having visitors and ALL visitors are welcome at any time. We do request that the youngsters be supervised at all times out of respect for our resident's.

Some issues include:
