February 2019 Newsletter

From the Desk of the Administrator!

Greetings from the Administrator's Office,

We hope everyone had a good Holiday.

The resident/family party at the facility went very well and everyone had a good time.

We are settling into the cold months of winter.

There are no major projects going on in the building.

We did consolidate and bundle our Internet service, phone and cable. This will provide us with more reliable service that is faster and will save money. We are also looking at switching Garbage Vendors and continue to look at ways to save money and make sure we are overall fiscally sound. We are looking at updating the Shower/Tub room. This will probably be in March. Stay warm!

Thank you

Larry Passel, LNHA

SOCIAL SERVICE NEWS-- New Intern

New Intern in Social Services, please welcome Jodi Holmberg. She will be with us M-Th each week until May 2019. Please stop by the Social Services Office to welcome her and introduce yourself. She would be happy to meet you. Here is a little about Jodi!

Hi everyone, my name is Jodi Holmberg, and I recently joined the social services department as the social work intern. I am excited to be completing my social work internship at the New Richland Care Center. I look forward to learning and contributing at the care center. I hope to meet many of you in person, get to know you, and help where I am needed.

I currently attend Briarcliff University, working to complete my Bachelor of Social Work. I will be at the New Richland Care Center until May.

When I am not at the care center or completing college schoolwork, I enjoy spending my time hiking around Madeline Island or boating on the Mississippi river with family and friends.

If you have a minute and want to stop by to say hello, you can find me located in the social services office, right across from the dining room.

Thanks to everyone for being so welcoming. I look forward to working with all of you.

Regards,

Jodi

ENVIRONMENTAL SERVICES NEWS

The staff in the Housekeeping and Maintenance department have noticed that some of our residents are using power strips that are not currently certified by the Fire Marshal and could potentially be unsafe to use. Here is what we should be using, and you can contact Paul Reyerson in Maintenance about how to get one for your loved one. The facility does not buy them, they cost about \$22-25 each. Minuteman Para Sys MMS664S Minuteman MMS Series Slimline Surge Protector, 6 Grounded Outlets, UL 1363 Certified, 15A, 120V, 1800 Watts, 1080 Joules. The main thing to look for is the UL 1363 or UL 60601 listing on the power strip.

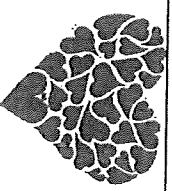

FAMILY GATHERING

We have set a date for the next Family Gathering, Thursday, March 7, 2019 at 5:00 p.m., supper will be provided. Topic – We will discuss ideas for the coming year and see what interests we have or speaker requests. We will send out an invite as it gets closer. We would love to have all family members that are interested in attending come and meet other family members, it is a good time to mingle. Any questions see Kathy or Penni.

ACTIVITY DEPARTMENT NEWS

In the near future, we are considering having a resident craft/art show at the Care Center. We are looking for your participation!! Did your family member crochet, paint, knit, wood craft, needle point, quilt, etc. If they did and you have some of the items they completed, please contact Kathy or Kristen in the Activity Department @ 507-417-4504 to let us know if you have any items that we could display for this event. We look forward to hearing from you and hope we are able to have this event soon.
